some people may perpetrate abuse if the costs of doing so are smaller than any perceived gains
and here is the point to remember: my face is the last one you'll see, not tony's; we understand each other? it won't be cinematic.
has anyone else had this particular side effect? i've heard that tremors could happen--is that what's happening to me??
would appreciate anyone else who's had this and been fine
58243; ex-marine bamf (my vote is for matt schulze) instead of an aging prettyboy who looks every inch
the subject is instructed to simply answer yes or no to each question
had signed waivers saying they understood the rules and were standing nearby, video-recording their daughter,
